John 13:31-16:33 — Farewell Discourse

- "Now the Son of Man is glorified, and God is glorified in Him"
- "Little children"
  - Very affectionate
  - The love between Jesus and the disciples
- "A new commandment"
  - Love is not an ENTIRELY new commandment
  - There was "Love God" and "Love your neighbor"
  - Matthew, Mark and Luke talked about the New Covenant - John talks about the New Commandment
    - The old standard was love your neighbor as yourself
    - The new standard is to love one another as I have loved you
  - Love of Christ is not doing something because I owe it to them or there is some debt...
    - Christ's love is a FREE GIFT of love (Grace)
    - Anselm's satisfaction theory of atonement is so foreign... that Christ died for us in order to pay a debt... God the Father DEMANDED Blood... that removes the VOLUNTARY aspect; the LOVE aspect
- Repetitiveness of John 14-15-16 is a "chiasm"
  - Statement 1
    - Statement 2
      - Statement 3
