

Curriculum

Pre-Catechumen

- Exchange Contact Information
- Setup a few initial meetings to get to know him/her
 - What notions or ideas do they have about God/Christianity/Orthodoxy
 - Why are they seeking the Church? What are they looking for?
 - Who is their family, what kinds of friends, school/work, family attitude about religion, about God, etc.
 - What kind of support system do they have (if any)
- Give them a tour of the church
 - Church and Chapel
 - Church service calendar
 - Who are the priests, bishops, etc.
- Attend multiple liturgies
- Q&A
- When the time is right, offer for them to start Catechumen classes and explain what that means and what that timeline looks like.
 - REMEMBER: there is no pushiness in Orthodoxy. There is only the Truth. We are not looking for quantity, but for quality. If numbers were the main goal, to fill our pews, then we could compromise the Truth in order to obtain followers. But that is not the case. See John 6.

- Some things are unknowable
- Some things require faith
- Here, some preliminary ideas can be mentioned as the truth, to "get them out of the way" - homosexuality is sin, transgenderism is sin, abortion is sin
